Highground Industrial LLC (HGI) is a full service contractor, specializing in all aspects of demolition, site development and environmental remediation of commercial and industrial properties. Our Management Team features industry leaders from the demolition, environmental and brownfield development fields. With more than 100 years of cumulative experience that management team can offer companies fast, effective and cost efficient solutions to re-purposing your properties. Our unique experience allows us to understand our client's specific needs and work with them to overcome any challenge. Utilizing our own fleet of heavy equipment, we ensure safety and an on time performance schedule.

HGI is a full service site contracting company specializing in:

- *Complete demolition services.*
- *Industrial buildings & plant facility decommissioning and dismantling*
- *Interior and exterior selective demolition.*
- *On and off- site concrete crushing, salvage and recycling.*
- *Site Work, Excavation, backfill, compaction, utilities and grading.*
- *Subsurface Remediation and Tank Removals*
- *Complete Brownfield contracting services*
- *Waste Management services*

The company is quickly becoming recognized as a trusted supplier of demolition & environmental services in the Northeast Corridor. More information about Highground Industrial can be found at www.highgroundind.com.
